Burdekin Rostrum Club 18 wishes to extend to you an invitation to attend a first time even in the Burdekin.

The Townsville region final of Rostrum Voice of Youth is going to be held in Ayr on the 26th May, at Ayr High School commencing at 9-00 A.M.

This event encompasses the best students from Charters Towers, Townsville, Ingham and the Burdekin, who will contest the right to go to the State final which will be held in Brisbane of the 7th July.

This event has never been held in the Burdekin, normally Townsville is the venue.

The Voice of Youth public speaking competition has been running since 1975 and is the most premier public speaking competition in Australia.

The Burdekin has been represented at the State final by local students on 8 occasions.

Burdekin Rostrum Club 18 is proud to be a contributor to the academic achievements of the Burdekin contestants.

Club 18 has been running this locally (Voice of Youth.), for 26 years.

Kind regards Freeman Stan Simpson President.

Attention: Mayor Lyn McLaughlin

Dear Lyn,

The Burdekin Rugby Union Club is in the process of submitting a grant through the Gambling Community Benefit Fund for the construction of a gymnasium within the new multi-purpose shed. If possible, could we please ask for a letter of support for this application. The gym will be available for team and private use for all members. We have 130 registered players this 2018 season, of which 27 are adults and 103 are juniors. Of our 130 players, 25 are indigenous with 7 seniors and 18 juniors.

We are in our 41st year of competing in the Townsville District Rugby Union competition. We have teams in U/8, U/10, U/12, U/13, U/15, U/16, Reserve Grade and A Grade.

If you are able to help us in this matter, could you please return your letter of support to me by Friday 25th May, 2018.

Thanking you.

Subject: 2018-19 Age Friendly Grants

Advancing Queensland: Age-friendly Community Grants 2018–19 now open

The *Advancing Queensland: an age-friendly community grants program* is now open.

This grants program will provide \$1 million per annum for three years from 2017-18 to seed fund community projects that involve partnerships between local government, community and not-for-profit organisations, research organisations and the private sector to co-develop, implement and promote innovative age-friendly projects.

This grants program is an important component of the Queensland Government's approach to supporting age-friendly communities, articulated in the

[Queensland: an age-friendly community – strategic direction statement and action plan](#).

In 2018-19 applications are invited from organisations who can provide innovative, age-friendly solutions that focus on overcoming barriers older Queenslanders face in relation to: civic participation and employment, community support and health services, and respect and social inclusion.

More information and resources to assist with the development of project proposals can be found at www.qld.gov.au/agefriendlygrants.

Applications close 5pm Monday 25 June 2018.

Please contact the Office for Seniors with queries at officeforseniors@communities.qld.gov.au.

With Kind Regards,

Office for Seniors, Carers and Volunteering
