Dear Councillor McLaughlin

As you may be aware, I launched the Queensland Superyacht Strategy 2018-2023 (the strategy) on 22 May 2018 at the Australian Superyacht and Marine Export Conference. I also announced that Mr Michael Healy MP, Member for Cairns, will be the Queensland Government's Superyacht Champion and will assist me in the implementation of the strategy.

Superyacht activity in Queensland generates \$940 million into the state's economy and supported 7,210 jobs in 2016. This is expected to grow to \$1.6 billion and nearly 12,500 jobs by 2021.

The Queensland Government's priorities to grow the sector, as outlined in the strategy, include working with the Australian Government and industry to:

- deliver clear policy settings
- promote infrastructure to facilitate industry growth
- promote Queensland as a global superyacht destination
- support and develop Queensland's superyacht supply chain.

The strategy also aims to attract superyachts to more places along Queensland's 13,000 kilometre coastline to create business and job opportunities in regional Queensland, building on the success of Cairns, the Whitsundays and the Gold Coast.

The Department of State Development, Manufacturing, Infrastructure and Planning (the department) will soon be conducting information sessions in key locations to inform stakeholders of the actions to be implemented over the next five years as outlined in the strategy.

The department will shortly provide further details of the information sessions to council and I seek your assistance with distribution of the details to relevant businesses within your local government area.

Dear Lyn,

National Police Remembrance Day is observed in the month of September each year to honour police officers who have died in the course of their duties. Services are being conducted at major centres throughout Queensland and across the nation again this year.

You and your partner or your representatives are invited to attend the National Police Remembrance Day Service to be held at 2.00pm Friday 28th September 2018 at the All Saints Anglican Church 82 MacMillan Street Ayr.

During the Service, the Roll of Honour (the names of Police Officers killed in the course of their duties) will be read to the congregation.

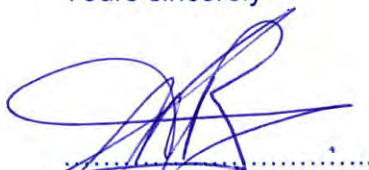

An opportunity to lay flowers/wreaths/books will be afforded our guests and all attending are encouraged to participate in that part of the ceremony. A collection will also be taken for donations to Police Legacy.

After the Service, we would also like to invite you all to join us in the church hall for light refreshments.

It is anticipated that Police Officers, Staff Members, their families and members of the public will attend.

To assist in planning, could you please advise the Ayr Police Station by **FRIDAY, 14th September 2018** on [REDACTED] if you will be attending. Please also advise if you will be laying a wreath, flowers or a book at the Service.

Yours sincerely

Dear Mayor Lyn & Councillors,

The Burdekin Race Club Inc would like to take this opportunity to say a huge *"Thank You"* for your kind sponsorship of the Landmark Burdekin Growers Race Day 2018.

We as a club were very proud of the achievement of reaching the milestone of Two Decades. This award winning day has put the Burdekin on the racing map. We were extremely proud to say we had a visitor from Bendigo this year who had heard of this race day and came to see how it was done. Our local police sergeant made comment "I take my hat off to you management, security, staff, volunteers, and patrons. Walk Proud."

This day would not be if it wasn't for the generous support of our sponsors and for this we are grateful.

We as a club are working hard for another outstanding day with 5 local races, fashion, entertainment and the famous fruit & vegetable giveaway. The Burdekin Growers Race Day promotes our district and contributes substantially to the local economy.

2019 will be time to party. Our 21st Birthday. We can't wait. Hope to see you there to help us celebrate 21 years of the Burdekin Growers Race Day

Thanking You

Torrie Davies

Dear Councillor McLaughlin

Thank you for your letter of 24 July 2018 regarding the drought revocation of the Burdekin Shire and Council's disappointment to learn of the change from the media.

As the Minister for Agricultural Industry Development and Fisheries, I make drought declarations and revocations following recommendations from Local Drought Committees. I am unable to forewarn of changes to the drought declaration and revocation status of areas of Queensland, in consideration of possible probity and accountability issues, as access to schemes of assistance are governed by these changes.

If you require further information, I encourage you to contact Mr Vern Rudwick, Director, Land Management in the Department of Agriculture and Fisheries, on [REDACTED]

Yours sincerely

MARK FURNER MP
