Subject: Request for Mayor visit

Good afternoon,

Lower Burdekin Ski Club are holding the Waterski State Titles on 1st-3rd of May and we would like to extend an invitation for Burdekin Mayor Lyn McLaughlin to come and visit our site over the weekend. Anytime would suit us even if it's for a quick walk around to show how councils support has improved our club.

The club is so grateful for the support and sponsorship from Burdekin Shire Council for this event. We are holding a 3 day event featuring Slalom, Jump and Trick with the best skiers from the state coming from Tablelands, Cairns, Brisbane, Gold Coast, Bundaberg and Toowoomba just to name a few. We also have local skiers competing. There are around 80 skiers and their families staying in he Burdekin for the week.

Please contact me if it is possible for Lyn to visit the site.

We hope to hear from you soon.

Kind regards,

Rhiannon Anderson
Lower Burdekin Ski Club Treasurer

Dear Lyn

Invitation Zonta Club Burdekin Inc Bush Poet's Breakfast – Sunday 1 August 2021

The Zonta Club Burdekin Inc invites you to attend this year's Bush Poet's Breakfast to be held on Sunday, 1 August 2021 commencing at 7:30am at the Burdekin Theatre.

Entertainment this year will be provided by invited local Burdekin Poets and "Bush Mates" from the Townsville Bush Poet's Club. The funds raised at this event support Domestic Violence Programs in the Burdekin Region.

Our club hope that you are able to attend the Breakfast and deliver the event's opening speech.

We look forward to your response by mid June 2021 to allow for program arrangements to be finalised.

Thank you for your valued ongoing support.

Yours sincerely

Isabel Stubbs
President, Zonta Club Burdekin Inc

Dear Mayor 

I am writing to you in relation to the representation of women in Queensland's memorials and monuments.

As you may be aware, on 8 September 2020 an e-petition, initiated by eight-year-old Ms Malia Knox, was tabled in the Legislative Assembly calling for stronger representation of women and girls in public spaces in Queensland and legislation to support this (Petition 3351-20).

Malia was motivated to take action after noticing that on her visits to the park she could only see statues, pictures and plaques of men. She knew of many amazing women who had accomplished remarkable things for our country, but was disheartened that she could not find statues honouring these women.

The petition, which received 791 signatures, highlights that while representation of strong female role models is essential for gender equity and justice, there is overwhelmingly unequal gender representation in public places in Queensland and Australia.

I wrote to the Premier on 11 December 2020 about Malia's inspiring story to see what could be done to improve diversity and gender equality in Queensland. I also proposed a review of the *Queensland Government Framework for Considering Proposals to Establish Memorials and Monuments of Significance* to make sure that our public memorials and monuments are contemporary and reflect the communities we live in.

While this is an opportunity to build on the Government's already strong record in relation to gender equality, we cannot do this alone. The Queensland Government plays a limited role in the establishment of memorials and monuments in public places, which is why I would like to encourage Local Governments to also commit to improving gender representation and diversity in public spaces.

By committing to increasing the representation of real women and girls in memorials and monuments in Queensland, we are continuing to make a positive difference to the lives of women and girls in Queensland, such as Malia.

(2)

I am confident that together we, the whole Queensland community, can ensure a Queensland community which respects women, embraces gender equality and promotes and protects the rights, interests and wellbeing of all Queenslanders.

If you have any questions in relation to the above, I invite you to contact my Chief of Staff, Laura Fraser Hardy, on [REDACTED] or at [REDACTED]

Yours sincerely

Dear Mr Brennan

I write to inform you that the *Terms of reference for an environmental impact statement: Burdekin Falls Dam Raising project* (TOR) have been finalised under the *State Development and Public Works Organisation Act 1971*.

The proponent, Sunwater Limited, proposes to increase the storage capacity and yield of the existing Burdekin Falls Dam by raising the dam by at least two metres and possibly up to six metres. Associated activities include raising abutments and saddle dams, adjustments to dam aprons and splitter piers, and road realignments and upgrades.

The draft TOR for this project were released for public and advisory agency comment from 30 November 2020 to 29 January 2021. Sixty-nine submissions were received. All comments received on the draft TOR were considered, and changes were made to the document where appropriate. I would like to thank you for the comments provided by the Council on the draft terms of reference.

The TOR are available at: www.statedevelopment.qld.gov.au/BFDRaising.

If you require any further information, please contact Ms Alyssa Cameron, Acting Executive Director, Office of the Coordinator-General, Department of State Development, Infrastructure, Local Government and Planning on [REDACTED] or [REDACTED] who will be pleased to assist.

Yours sincerely
