Subject: Save the Date - RNA High Tea 2022

Dear Lyn,

After two years without an Ekka, we are absolutely thrilled to be able to finally reunite the country and the city this August.

It's been a very challenging time for us all and it's wonderful to be able to stage our fundraiser for the first time since 2019.

This year we are excited to announce that our funds will be specifically targeting Outback Futures – Stay With Me Video/Phone Connect technology, which is aimed at providing support for children in isolated areas – [click here](#).

We look forward to sending the formal invitation in June when tickets will go on sale.

Subject: Invitation to community event in Tully this Saturday
Importance: Normal

To all Councillors and staff of Burdekin Shire Council,

We'd love to welcome you to our community information event this Saturday at Tully State High School from 1pm - 3pm.

Did you know the southern Atherton Tablelands and mountainous dividing range landscapes of Far North Queensland are earmarked for numerous mega renewable projects?

In particular the Chalumbin wind farm, Upper Burdekin wind farm and Mount Fox Energy Park are of serious concern. The cumulative impact will involve over 250km of new internal haulage roads through some of the last high elevation and high biodiverse areas outside of protected areas. In fact, these projects sites have been earmarked for National Park acquisition in the past due to high conservation values.

Find out more this Saturday at our Tully community information event. Complimentary refreshments and snacks provided.

Saturday 23 April 2022 at 1:00 PM - 3.00PM at Tully State High School.

We look forward to seeing you.

Yours faithfully,

Carolyn Emms
President of Rainforest Reserves Australia

To: Lyn McLaughlin <Councillor.McLaughlin@burdekin.qld.gov.au>
Subject: Invitation - Sod turning Agricultural Centre of Excellence and opening health hub at Bowen TAFE - 29 April 2022

The Minister for Employment and Small Business and Minister for Training and Skills Development, Di Farmer, invites you to attend the sod turning for the Agricultural Centre of Excellence and official opening of the health hub at TAFE Queensland's Bowen Campus.

When: Friday 29 April from 1.30pm to 2.30pm.

Where: TAFE Queensland Bowen Campus, A Block, 98-158 Queens Road, Bowen

The Agricultural Centre of Excellence will deliver high quality training to support Central and North Queensland's rural industry workforce, with a new smart centre, mixed reality training space, science lab, general workshop, cutting edge Farmbot and Growpod facilities and general learning spaces.

The health hub is a collaborative learning centre for students and industry to deliver community and healthcare training. This new facility includes a three-bed ward and space for aged care training with connections to TAFE Queensland's network to deliver online training to other regions
