Assessment Manager Conditions

GENERAL

- 1.1 The conditions of the development permit must be effected prior to the commencement of the use, except where specified otherwise in these conditions of approval.
- 1.2 All rates and charges (including regulated infrastructure charges), in arrears in respect of the land, subject of the application, are paid in full prior to the commencement of the proposed use.

APPROVED PLANS

2. (a) The development and conduct of the approved use of the premises, the carrying out and maintenance of any works on the premises and construction and maintenance of any building on the premises must be generally in accordance with the applications supporting material including all drawings/documents identified in the Table below, except where modified by the conditions of this Development Permit and any approval issued there under.

Document/Title	Job No	Issue No
Site Plan	20177	A
Floor Plan	20177	A
Elevations	20177	A
Drainage Plan	20177	A

- (b) Where a discrepancy or conflict exists between the written condition(s) of the approval and the approved plans, the requirements of the written condition(s) will prevail.
- (c) The proposed development must comply with all Planning Scheme requirements as applying at the date of this approval, except as otherwise specified by any condition.

BUILDING WORK

- 3.1 A development permit for Building Works is to be obtained before any triggered building works are carried out on the premises.
- 3.2 Provide evidence that the proposed Dwelling Units have had a classification approval granted under the provisions contained in the *Building Act 1975* and subordinate legislation prior to the commencement of the intended use.

NOTICE OF INTENTION TO COMMENCE THE USE

4. Prior to the commencement of the use on the site, written notice must be given to Council that the use (development and/or works) fully complies with the decision notice issued in respect of the use.

ACCESS AND CARPARKING

- 5.1 Access to the premises, car parking and manoeuvring areas must be constructed in an all-weather low glare paving, exposed aggregate concrete or similar dust suppressant material to the satisfaction of the Chief Executive Officer.
- 5.2 Provide to Council prior to the commencement of works, a cross section 1:50 scale of all driveways, showing existing and design levels for the crossovers.
- 5.3 The construction of any additional crossovers to give access to the land is to be the owner's responsibility and to the satisfaction of the Chief Executive Officer.

WATER SUPPLY

6. The development must be connected to Council's reticulated water supply. The water connection must be provided at a location approved by Council and at the full cost of the developer. The connection must be installed by Council.

SEWERAGE SUPPLY

7. The development must be connected to Council's reticulated sewerage system. The sewerage connection is to be provided at a location approved by Council and at the full cost of the developer. The connection must be installed by Council.

LIGHTING

8. Any night and outdoor lighting must be designed, conducted and operated in accordance with 'AS 4282 – Control of the obtrusive effects of outdoor lighting'.

PUBLIC UTILITY SERVICES

9. The developer must at its own cost undertake all necessary alterations to public utility mains and services as are rendered necessary by the carrying out of any required external works or other works associated with the approved development.

DRAINAGE

- 10.1 Stormwater drainage from any new paved/sealed areas must be discharged under the footpath to kerb and channelling within the adjoining road reserves in accordance with AS3500.2.2003 or as otherwise required or agreed to in writing by the Chief Executive Officer.
- 10.2 The approved development and use(s) must not interfere with the natural flow of stormwater in the locality in such a manner as to cause ponding or concentration of stormwater on adjoining land or roads.
- 10.3 Any external catchments discharging to the premises must be accepted and accommodated within the development's stormwater drainage system.

OPERATIONAL WORKS

11. Where operational works are required to be carried out as part of any development permit issued, the developer must, within the timeframes required by the Planning Act 2016 and prior to the commencement of any work, lodge with Council an application for a development permit for operational works. As part of such application, the developer must submit:-
 - (a) detailed and complete engineering drawings and specifications of the proposed works prepared by a civil engineer, who is both registered under the Professional Engineer's Act 2002 and is a current Registered Professional Engineer of Queensland; and
 - (b) a certificate from the engineer who prepared the drawings stating that the design and specifications have been prepared in accordance with these conditions, relevant Council Codes and Planning Scheme Policies and the relevant Australian Standard Codes of Practice;

AMENITY – SCREEN FENCING

12. A 1.8m high screen fence must be provided along the adjoining property boundaries. The new fence must be designed to achieve an adequate level of privacy for inhabitants and neighbours. The type and design must be submitted and approved by the Chief Executive Officer prior to construction of the screen fence.

LANDSCAPING AND SCREENING

13. A landscaping plan shall be submitted and approved by the Chief Executive Officer. This plan must be prepared by a landscape architect or other suitably qualified and experienced person detailing the following;
- the location of existing and proposed plantings;
 - landscaping of the designated areas generally in accordance with the approved plans;
 - proposed fencing and screens, including rubbish bin enclosures;
 - location of public infrastructure;

DOMESTIC WASTE

- 14.1 Each unit is to have a 140L multiple domestic 2 bin service in accordance with Burdekin Shire Council's Waste Management Policy. The units are to have a minimum 1 x 240L multi-residential green waste service which is a communal service to be shared between the units. Council's authorised officers will determine the provision of a green waste service for the premises, with consideration to be given for the properties potential to generate green waste.
- 14.2 Bins are to be stored at each unit and cleaned on the grassed area within the property boundaries of the site.

Rights of Appeal

You are entitled to appeal against this decision. A copy of the relevant appeal provisions from the *Planning Act 2016* is attached.

During the appeal period, you as the applicant may suspend your appeal period and make written representations to council about the conditions contained within the development approval. If council agrees or agrees in part with the representations, a "negotiated decision notice" will be issued. Only one "negotiated decision notice" may be given. Taking this step will defer your appeal period, which will commence again from the start the day after you receive a "negotiated decision notice".

Appeal Rights

Appeal Rights

Planning Act 2016 & The Planning Regulation 2017

Chapter 6 Dispute resolution

Part 1 Appeal rights

229 Appeals to tribunal or P&E Court

- (1) Schedule 1 of the *Planning Act 2016* states –
 - (a) Matters that may be appealed to –
 - (i) either a tribunal or the P&E Court; or
 - (ii) only a tribunal; or
 - (iii) only the P&E Court; and
 - (b) The person-
 - (i) who may appeal a matter (**the appellant**); and
 - (ii) who is a respondent in an appeal of the matter; and
 - (iii) who is a co-respondent in an appeal of the matter; and
 - (iv) who may elect to be a co-respondent in an appeal of the matter.

(Refer to Schedule 1 of the *Planning Act 2016*)

- (2) An appellant may start an appeal within the appeal period.
- (3) The **appeal period** is –
 - (a) for an appeal by a building advisory agency – 10 business days after a decision notice for the decision is given to the agency; or
 - (b) for an appeal against a deemed refusal – at any time after the deemed refusal happens; or
 - (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises – 20 business days after a notice is published under section 269(3)(a) or (4); or
 - (d) for an appeal against an infrastructure charges notice – 20 business days after the infrastructure charges notice is given to the person; or
 - (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given – 30 business days after the applicant gives the deemed approval notice to the assessment manager; or
 - (f) for any other appeal – 20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.

Note –

See the P&E Court Act for the court's power to extend the appeal period.

- (4) Each respondent and co-respondent for an appeal may be heard in the appeal.
- (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.
- (6) To remove any doubt. It is declared that an appeal against an infrastructure charges notice must not be about-
 - (a) the adopted charge itself; or
 - (b) for a decision about an offset or refund-
 - (i) the establishment cost of trunk infrastructure identified in a LGIP; or
 - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

230 Notice of appeal

- (1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that-
 - (a) is in the approved form; and
 - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar must, within the service period, give a copy of the notice of appeal to –
 - (a) the respondent for the appeal; and
 - (b) each co-respondent for the appeal; and
 - (c) for an appeal about a development application under schedule 1, table 1, item 1 – each principal submitter for the development application; and
 - (d) for an appeal about a change application under schedule 1, table 1, item 2 – each principal submitter for the change application; and
 - (e) each person who may elect to become a co-respondent for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and
 - (f) for an appeal to the P&E Court – the chief executive; and

- (g) for an appeal to a tribunal under another Act – any other person who the registrar considers appropriate.
- (4) The *service period* is –
 - (a) if a submitter or advice agency started the appeal in the P&E Court – 2 business days after the appeal has started; or
 - (b) otherwise – 10 business days after the appeal is started.
- (5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection (6).
- (6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.

231 Other appeals

- (1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.
- (2) The *Judicial Review Act 1991*, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the *Judicial Review Act 1991* in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section –
 - decision* includes–
 - (a) conduct engaged in for the purpose of making a decision; and
 - (b) other conduct that relates to the making of a decision; and
 - (c) the making of a decision or failure to make a decision; and
 - (d) a purported decision ; and
 - (e) a deemed refusal.
 - non-appealable*, for a decision or matter, means the decision or matter–
 - (a) is final and conclusive; and
 - (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the *Judicial Review Act 1991* or otherwise, whether by the Supreme Court, another court, a tribunal or another entity; and
 - (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.

232 Rules of the P&E Court

- (1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with the rules of the P&E Court.

Statement of Reasons

Planning Act 2016 & The Planning Regulation 2017

This Notice is prepared in accordance with s63(5) and s83(7) of the Planning Act 2016 to inform the public about a decision that has been made in relation to a development application. The purpose of the Notice is to enable a public understanding of the reasons for the planning decision, specifically having regard to:

- the relevant parts of the Planning Scheme and Assessment Benchmarks against which the application was assessed; and
- any other information, documents or other material Council was either required to, or able to, consider in its assessment.

All terms used in this Notice have the meanings given them in the Planning Act 2016.

Assessment Benchmarks

The following assessment benchmarks applied to the proposed development:

- Residential Zone Code

REASONS FOR THE DECISION

Following an assessment of the development application against the assessment benchmarks listed above, it was determined the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity.
